

## Conor P. Kennedy

Novi, MI | 847.558.9303 | conork369@gmail.com | github.com/suelz

---

### Education

#### **Elmhurst College**

*Bachelor of Science, Computer Science*

Elmhurst, IL

*December 2019*

**Relevant Coursework** - Analysis of Data Structures and Algorithms, Object Oriented Design and Programming, Operating Systems, Concepts of Programming Languages, Software Engineering

---

### Projects

#### **Pokematch** - [github.com/suelz/pokematch](https://github.com/suelz/pokematch)

- Web app similar to Tinder or Bumble where users create profiles that include pictures, bios etc and swipe left or right to match with other users while filtering by gender, distance, etc.
- Internal messaging between matched users
- Built using Python 3.6, Flask, MySQL, and other general web technologies
- Demo available at [suelz.pythonanywhere.com](http://suelz.pythonanywhere.com)

#### **Urso Minor** - [github.com/suelz/urso-minor](https://github.com/suelz/urso-minor)

- Web app similar to Netflix allowing users to create an account and watch “movies”
- Browse the database of movies as well as search it
- User accounts have multiple tiers with differing fees associated with them
- Built using Java, MySQL, Tomcat, and other general web technologies

#### **Cross Reference Generator** - [github.com/suelz/Cross-Reference-Generator](https://github.com/suelz/Cross-Reference-Generator)

- Reads C++ source code and produces a list of user identifiers in alphabetical order and with all the line numbers of occurrence for each user identifier
  - Implemented using a binary search tree and a map
- 

### Languages and Technologies

- |          |              |         |
|----------|--------------|---------|
| • C++    | • Javascript | • Flask |
| • C      | • MySQL      | • Linux |
| • Python | • HTML/CSS   | • Git   |
| • Java   | • Django     | • Sass  |
- 

### Experience

#### **Costco Wholesale**

August 2012 - Present

*Morning Merchandiser*

- Unload, stock and organize merchandise for sale within the warehouse
- Provide overall support to Costco members to ensure a positive shopping experience

#### **Five Lakes Crossfit**

August 2019 - Present

*Consultant*

- Advises owner on best practices for their website and web presence
- Help to ensure the revamped site is much more mobile friendly than the current version
- Corrected issues such as dead links and created a more efficient way to navigate between pages
